Gamebook is a supplementary material to be used in the classroom and at home to diversify the learning routine, provide students with engaging materials that would help them to improve not only their academic, but also cognitive and social skills.

Games offered in this book allow children to use their creativity while:

- ✓ developing dexterity,
- ✓ training memory and attention span,
- ✓ developing cognitive and emotional strength,
- ✓ learning the importance of teamwork and collaboration,
- ✓ improving cognitive and interpersonal skills.

Cut out and play with multilink cubes. Color them.

Copy the towers you see in this picture with the multilink cubes you cut out. Create your own towers.

Cut the cubes out. You can cut them out individually or as pairs and towers.

Cut out, color, and play with Numeral Cards.

Ideas for the game:

1. Your friend or teacher name the numbers, show them the card.
2. You show the card and ask your friend to name it.
3. The cards are face down on the desk. Take any card, turn it over and name it.

Cut out, color, and play with Numeral Cards.

Cut out, color, and play with Numeral Cards.

Cut out, color, and play with Numeral Cards.

Cut out, color, and play with Numeral Cards.

Cut out, color, and play with Vocabulary Cards. How many words can you remember? How many words can your friends remember?

Cut out, color, and play with Vocabulary Cards.
